Circular No. 2930—G. A. D. 377, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.

From—J. S. Chakravarti, Esq., M.A., F.R.A.S., etc., Comptroller to the Government of His Highness the Maharaja of Mysore.

To—The Deputy Commissioners, Treasury Department, of Districts.

Circular No. 3319-26—*Ac.* 385, *dated* 25*th November* 1910.

It has been observed that, under the present arrangements, considerable delay takes place in the annual calculation of the interest due on the Savings Bank accounts kept at the Taluk and District Treasuries in the State and in adding the interest so calculated to the various accounts.

2. The chief causes that now contribute to this delay are the following:—

(i) There is, at present, no uniformity in the taluks as regards the form of the ledger or in the procedure of calculating interest. In some taluks, the same form of ledger as is used in the Comptroller's Office and in the District Treasuries is maintained and the initial calculation (annual) of interest is made in the taluk itself, while, in others, the taluk ledger forms contain no interest column and the initial interest calculation is made in the District Treasury.

(ii) The Taluk Savings Bank transactions are recorded in the ledgers kept in the District Treasuries; under this arrangement, the calculation of interest on each depositor's account and the preparation of annual accounts in respect of Taluk Savings Bank deposits also devolve on the District Treasuries. To remedy the state of affairs described above, as far as possible, the following instructions are issued with the approval of Government.

3. The maintenance of ledgers in the District Treasuries for Taluk Savings Bank transactions serves no useful purpose and results in mere duplication of work. Accordingly, the existing practice of maintaining in the District the duplicates of Taluk Savings Bank ledgers will be discontinued from 1st January 1911.

4. The District Treasuries should write up the current ledgers of Taluk Savings Bank accounts up to 31st December 1910 and send them to the taluks concerned along with the lists of dead accounts and connected ledgers.

5. The Taluk Treasuries should record the transactions from 1st January 1911, relating to Savings Bank accounts kept at them in the ledgers received from the District Treasuries.

6. The Taluk Treasuries should, from 1st January 1911, prepare monthly journals of receipts to and withdrawals from their Savings Bank accounts and submit them to the Comptroller through the District Treasury, which will attach its own journals to the taluk journals and also an abstract showing the aggregate receipts and withdrawals for the whole district for the month.

7. The Taluk Treasuries will, from the current official year, be responsible for the calculation of interest on Savings Bank accounts kept at them and for the submission of annual accounts in Form No. 9 in respect of such accounts.

8. The Taluk Treasuries should obtain in the usual course, from the Stationery Depot, Savings Bank ledger books and other forms for recording their Savings Bank Transactions and for submitting the monthly and annual accounts.

9. The ledgers to be kept in the District Treasuries will, from 1st January 1911, be confined to Savings Bank accounts the transactions of which actually take place at such treasuries.

10. The District Treasuries being responsible for the proper working of their sub-treasuries, will continue to be the channel for submission to the Comptroller of Taluk Savings Bank accounts and for communication of the orders of the Comptroller to the Taluk Treasuries.

11. The District Treasuries should submit to the Comptroller, in original, the annual accounts of Savings Bank transactions rendered by the Taluk Treasuries together with their own annual accounts and an abstract on which Savings Bank transactions of all the Taluk Treasuries and the District Treasuries should be exhibited.

12. At District Headquarters, it is unnecessary to permit Savings Bank accounts to be opened at both the Taluk and District Treasuries. Such accounts at the Taluk Treasuries situated at the District Headquarters are, at present, few, and in four of such treasuries, namely, those at Bangalore, Shimoga, Chikmagalur and Hassan, there are no Savings Bank transactions at all. The numbers of Savings Bank accounts at the other four treasuries on 1st March 1910 were as follows:—

Kolar Taluk Treasury ...	... 128
Chitaldrug Taluk Treasury ...	... 137
Mysore Taluk Treasury ...	... 144
Tumkur Taluk Treasury ...	... 90

These accounts should be transferred to the District Treasuries concerned from 1st January 1911. From that date, there should be no Savings Bank accounts at Taluk Treasuries at District Headquarters and depositors should be directed to go to the District Treasury for opening new accounts or for operating on old accounts.

The Special Schedule (Enclosure B) for the Census of these Institutions is to be filled up under Section 9 of the Mysore Census Regulation No. I of 1910 by the Manager or other person in charge of the respective Institutions. A letter (Annexure C) explaining what is required of him will be printed on the back of the Schedule. The blank spaces in this letter and at the top of the Schedule should be filled in beforehand and the letter signed by you as District Magistrate.

4. For obvious reasons, the ordinary Village Enumerator is unsuited for an enquiry of this kind. It is desirable that the Enumerator should be a Government official and one capable of explaining clearly the purport of the Form to the person requested to fill it in and of correcting at once any errors noticed in such Forms when collected. In towns, the Enumerators might be chosen from among the Clerks or Executive Officials of the Municipal President's or Deputy Commissioner's Offices, and in other cases they may be drawn from among the Clerical or Executive Staff in the Offices of the Amildar or other Chief Civil Officer of the area in which the Factories, Mines, etc., are situated. The Officers so deputed may be called "Special Enumerators."

5. These Special Enumerators should be appointed by you under a formal order of appointment given under your signature. With this order should be given to each of them :—

(1) an extract from the Register of Factories, etc., for which he is the Special Enumerator;

(2) the Schedules required for distribution to the Managers, etc., of these works.

At the same time, column 9 of the Register should be filled in.

6. The Schedules should be distributed to the Managers, etc., about a week before 10th March 1911, and this should be done by the Special Enumerator in person as it may be necessary to explain to the Manager how the Form should be filled in. The date and manner of issue of Schedule should be noted at the time in columns 10 and 11 of the Extract referred to in the preceding paragraph.

7. On the morning of the 11th March 1911, the Special Enumerator should himself collect the Schedules from the persons to whom they were distributed, and examine them on the spot and correct all obvious errors. The date of return of Schedules should then be entered in column 12 of the Extract.

8. The Enumerator should then arrange the Schedules in the order of the serial number shown at the head of the letter on the back of the Schedule (which will correspond to the number entered in column 2 of the Extract) and return them to you within a week of the Census with the Extract.

9. These Schedules when received in your office should again be checked with reference to the Register of Factories, etc., to make sure that no institution has been omitted, and columns 10, 11 and 12 of the Register should be written up from the Extracts received. The Schedules and the Register should then be forwarded to this office.

10. Any difficulties or doubtful points which may arise in carrying out this work may kindly be communicated to me so that they may, as far as possible, be met and decided uniformly for the whole State.

OFFICE OF THE CENSUS SUPERINTENDENT IN MYSORE,
Dated Bangalore, the 15th December 1910.

Circular No. $\frac{32}{\text{Census 1911.}}$

FROM

The Census Superintendent in Mysore.

To

The Deputy Commissioners of Districts.

Sir,

I have the honor to state that, Enumeration Books with spare Schedule leaves having now been supplied from the press to all the Taluks, it is expedient to ascertain that books of proper sizes have been distributed to the several Enumerators and that the supply of the Books and of spare Schedule leaves is sufficient, to meet the requirements not only of the Preliminary but also of the Final Enumeration on the night of the 10th March 1911. The matter is so important that the least mistake by oversight or neglect might lead to confusion at the last moment of the Final Enumeration.

2. I therefore request that you will be so good as to instruct the Sub-Divisional Assistant Commissioners to go round their Taluks and assure themselves by close and personal inspections (1) that every Enumerator has been given an Enumeration Book suited to the size of his Block and containing sufficient spare leaves at the end for record of additional entries at the Final Enumeration, and (2) that each Circle Supervisor has with him a sufficient number of spare schedule leaves to meet all possible requirements of the Enumerators of his Circle. The Charge Superintendent should likewise keep with him a sufficient stock of spare schedule leaves, to be distributed on the spot, whenever during his inspections, he finds either an Enumerator or a Supervisor short of Schedule leaves. For this purpose the Assistant Commissioner should be instructed to be constantly on the move ascertaining the requirements of every Circle and Charge within his Sub-Division and at the same time checking the Preliminary Records of Enumeration in the several Villages as the Enumeration progresses. In short, it should be one of the important duties of the Sub-Divisional Assistant Commissioner at this stage of the Census Operations to regulate the supply of the Enumeration Books and Schedule leaves and to see to the prompt and satisfactory progress of the Preliminary Enumeration.

3. I may add that the Enumeration Books and Schedule leaves have been supplied to the several charge Superintendents on a liberal scale according to their own indents. The necessity for further supplies will therefore rarely arise.

If, however, after sufficient inspections the Assistant Commissioner thinks that the books and the schedule leaves already supplied to the several Taluks are still insufficient, he may submit a supplementary indent for the additional quantity of Schedule leaves which, in his opinion, are actually required. This supplemental indent should be sent through you so as to reach this Office on or before the 1st February 1911 latest.

4. If the submission of the supplemental indent be delayed or put off, it may not be possible to comply with the requirements in sufficient time before the final Enumeration. It is hardly necessary to add that these supplemental indents, if any, should be very carefully scrutinized so as to save wastage of paper and consequent unnecessary expenditure to Government.

I have the honour to be,
Sir,
Your most obedient servant,
V. R. THYAGARAJA AIYAR,
Census Superintendent.

Circular No. 2930—G. A. D. 377, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.

From—J. S. Chakravarti, Esq., M.A., F.R.A.S., etc., Comptroller to the Government of His Highness the Maharaja of Mysore.

To—The Deputy Commissioners, Treasury Department, of Districts.

Circular No. 3319-26—*Ac.* 385, *dated* 25*th November* 1910.

It has been observed that, under the present arrangements, considerable delay takes place in the annual calculation of the interest due on the Savings Bank accounts kept at the Taluk and District Treasuries in the State and in adding the interest so calculated to the various accounts.

2. The chief causes that now contribute to this delay are the following:—

(i) There is, at present, no uniformity in the taluks as regards the form of the ledger or in the procedure of calculating interest. In some taluks, the same form of ledger as is used in the Comptroller's Office and in the District Treasuries is maintained and the initial calculation (annual) of interest is made in the taluk itself, while, in others, the taluk ledger forms contain no interest column and the initial interest calculation is made in the District Treasury.

(ii) The Taluk Savings Bank transactions are recorded in the ledgers kept in the District Treasuries; under this arrangement, the calculation of interest on each depositor's account and the preparation of annual accounts in respect of Taluk Savings Bank deposits also devolve on the District Treasuries. To remedy the state of affairs described above, as far as possible, the following instructions are issued with the approval of Government.

3. The maintenance of ledgers in the District Treasuries for Taluk Savings Bank transactions serves no useful purpose and results in mere duplication of work. Accordingly, the existing practice of maintaining in the District the duplicates of Taluk Savings Bank ledgers will be discontinued from 1st January 1911.

4. The District Treasuries should write up the current ledgers of Taluk Savings Bank accounts up to 31st December 1910 and send them to the taluks concerned along with the lists of dead accounts and connected ledgers.

5. The Taluk Treasuries should record the transactions from 1st January 1911, relating to Savings Bank accounts kept at them in the ledgers received from the District Treasuries.

6. The Taluk Treasuries should, from 1st January 1911, prepare monthly journals of receipts to and withdrawals from their Savings Bank accounts and submit them to the Comptroller through the District Treasury, which will attach its own journals to the taluk journals and also an abstract shewing the aggregate receipts and withdrawals for the whole district for the month.

7. The Taluk Treasuries will, from the current official year, be responsible for the calculation of interest on Savings Bank accounts kept at them and for the submission of annual accounts in Form No. 9 in respect of such accounts.

8. The Taluk Treasuries should obtain in the usual course, from the Stationery Depot, Savings Bank ledger books and other forms for recording their Savings Bank Transactions and for submitting the monthly and annual accounts.

9. The ledgers to be kept in the District Treasuries will, from 1st January 1911, be confined to Savings Bank accounts the transactions of which actually take place at such treasuries.

10. The District Treasuries being responsible for the proper working of their sub-treasuries, will continue to be the channel for submission to the Comptroller of Taluk Savings Bank accounts and for communication of the orders of the Comptroller to the Taluk Treasuries.

11. The District Treasuries should submit to the Comptroller, in original, the annual accounts of Savings Bank transactions rendered by the Taluk Treasuries together with their own annual accounts and an abstract on which Savings Bank transactions of all the Taluk Treasuries and the District Treasuries should be exhibited.

12. At District Headquarters, it is unnecessary to permit Savings Bank accounts to be opened at both the Taluk and District Treasuries. Such accounts at the Taluk Treasuries situated at the District Headquarters are, at present, few, and in four of such treasuries, namely, those at Bangalore, Shimoga, Chikmagalur and Hassan, there are no Savings Bank transactions at all. The numbers of Savings Bank accounts at the other four treasuries on 1st March 1910 were as follows:—

Kolar Taluk Treasury	...	... 128
Chitaldrug Taluk Treasury	...	... 137
Mysore Taluk Treasury	...	... 144
Tumkur Taluk Treasury	...	... 90

These accounts should be transferred to the District Treasuries concerned from 1st January 1911. From that date, there should be no Savings Bank accounts at Taluk Treasuries at District Headquarters and depositors should be directed to go to the District Treasury for opening new accounts or for operating on old accounts.

J. S. CHAKRAVARTI,
Comptroller.

CENSUS DEPARTMENT.

(All Census correspondence should be treated as 'URGENT'.)

Procedure to be followed in connection with the Special Industrial Census of Factories, Mines, etc.

Circular No. $\frac{31}{\text{Census 1911.}}$ OFFICE OF THE CENSUS SUPERINTENDENT IN MYSORE,
Dated Bangalore, the 12th December 1910.

FROM

The Census Superintendent in Mysore.

TO

The Deputy Commissioners of Districts.

SIR,

In continuation of this Office Circular No. 502-09—Cir. 23, dated the 27th August 1910 and with reference to para 3 of my letter No. 793-800, dated the 21st

September 1910, I have the honor to address you regarding the procedure to be followed in connection with the Special Industrial Census of Factories, Mines, etc.

2. In pursuance of the Circular cited in the above para, a list has been forwarded to this office of Factories, Mines, etc., employing or likely to employ not less than twenty persons on any one day for a period of one month preceding the date on which the Final Census is taken. The list should be revised and brought up to date early in February 1911, so as to prevent all risk of omissions; and particulars of the Institutions should be compiled in Form (A) appended and an Abstract thereof sent to this office to enable me to estimate the number of Schedules and Forms required.

3. The Special Schedule (Enclosure B) for the Census of these Institutions is to be filled up under Section 9 of the Mysore Census Regulation No. I of 1910 by the Manager or other person in charge of the respective Institutions. A letter (Annexure C) explaining what is required of him will be printed on the back of the Schedule. The blank spaces in this letter and at the top of the Schedule should be filled in beforehand and the letter signed by you as District Magistrate.

4. For obvious reasons, the ordinary Village Enumerator is unsuited for an enquiry of this kind. It is desirable that the Enumerator should be a Government official and one capable of explaining clearly the purport of the Form to the person requested to fill it in and of correcting at once any errors noticed in such Forms when collected. In towns, the Enumerators might be chosen from among the Clerks or Executive Officials of the Municipal President's or Deputy Commissioner's Offices, and in other cases they may be drawn from among the Clerical or Executive Staff in the Offices of the Amildar or other Chief Civil Officer of the area in which the Factories, Mines, etc., are situated. The Officers so deputed may be called "Special Enumerators."

5. These Special Enumerators should be appointed by you under a formal order of appointment given under your signature. With this order should be given to each of them:—

(1) an extract from the Register of Factories, etc., for which he is the Special Enumerator;

(2) the Schedules required for distribution to the Managers, etc., of these works.

At the same time, column 9 of the Register should be filled in.

6. The Schedules should be distributed to the Managers, etc., about a week before 10th March 1911, and this should be done by the Special Enumerator in person as it may be necessary to explain to the Manager how the Form should be filled in. The date and manner of issue of Schedule should be noted at the time in columns 10 and 11 of the Extract referred to in the preceding paragraph.

7. On the morning of the 11th March 1911, the Special Enumerator should himself collect the Schedules from the persons to whom they were distributed, and examine them on the spot and correct all obvious errors. The date of return of Schedules should then be entered in column 12 of the Extract.

8. The Enumerator should then arrange the Schedules in the order of the serial number shown at the head of the letter on the back of the Schedule (which will correspond to the number entered in column 2 of the Extract) and return them to you within a week of the Census with the Extract.

9. These Schedules when received in your office should again be checked with reference to the Register of Factories, etc., to make sure that no institution has been omitted, and columns 10, 11 and 12 of the Register should be written up from the Extracts received. The Schedules and the Register should then be forwarded to this office.

10. Any difficulties or doubtful points which may arise in carrying out this work may kindly be communicated to me so that they may, as far as possible be met and decided uniformly for the whole State.

OFFICE OF THE CENSUS SUPERINTENDENT IN MYSORE,
Dated Bangalore, the 15th December 1910.

Circular No. $\frac{32}{\text{Census 1911.}}$

FROM

The Census Superintendent in Mysore.

To

The Deputy Commissioners of Districts.

Sir,

I have the honor to state that, Enumeration Books with spare Schedule leaves having now been supplied from the press to all the Taluks, it is expedient to ascertain that books of proper sizes have been distributed to the several Enumerators and that the supply of the Books and of spare Schedule leaves is sufficient, to meet the requirements not only of the Preliminary but also of the Final Enumeration on the night of the 10th March 1911. The matter is so important that the least mistake by oversight or neglect might lead to confusion at the last moment of the Final Enumeration.

2. I therefore request that you will be so good as to instruct the Sub-Divisional Assistant Commissioners to go round their Taluks and assure themselves by close and personal inspections (1) that every Enumerator has been given an Enumeration Book suited to the size of his Block and containing sufficient spare leaves at the end for record of additional entries at the Final Enumeration, and (2) that each Circle Supervisor has with him a sufficient number of spare schedule leaves to meet all possible requirements of the Enumerators of his Circle. The Charge Superintendent should likewise keep with him a sufficient stock of spare schedule leaves, to be distributed on the spot, whenever during his inspections, he finds either an Enumerator or a Supervisor short of Schedule leaves. For this purpose the Assistant Commissioner should be instructed to be constantly on the move ascertaining the requirements of every Circle and Charge within his Sub-Division and at the same time checking the Preliminary Records of Enumeration in the several Villages as the Enumeration progresses. In short, it should be one of the important duties of the Sub-Divisional Assistant Commissioner at this stage of the Census Operations to regulate the supply of the Enumeration Books and Schedule leaves and to see to the prompt and satisfactory progress of the Preliminary Enumeration.

3. I may add that the Enumeration Books and Schedule leaves have been supplied to the several charge Superintendents on a liberal scale according to their own indents. The necessity for further supplies will therefore rarely arise.

If, however, after sufficient inspections the Assistant Commissioner thinks that the books and the schedule leaves already supplied to the several Taluks are still insufficient, he may submit a supplementary indent for the additional quantity of Schedule leaves which, in his opinion, are actually required. This supplemental indent should be sent through you so as to reach this Office on or before the 1st February 1911 latest.

4. If the submission of the supplemental indent be delayed or put off, it may not be possible to comply with the requirements in sufficient time before the final Enumeration. It is hardly necessary to add that these supplemental indents, if any, should be very carefully scrutinized so as to save wastage of paper and consequent unnecessary expenditure to Government.

I have the honour to be,
Sir,
Your most obedient servant,
V. R. THYAGARAJA AIYAR,
Census Superintendent.

6. Read Government Order No. 9602-10—L. B. 280-09-2, dated 25th April 1910, requesting the President to take, in consultation with the Local Boards concerned, such action as may be necessary on Dasara Representative Assembly Subject No. 169 of 1909 about the desirability of exempting Madigars in village Unions from payment of house tax.

Resolution.—The Board is of opinion that as resolved at its meeting of 22nd May 1909, the local cess may be increased by three pies on every rupee of assessment, and that any further increase is not desirable as it will press heavily on the raiyat population.

Circular No. 2930—G. A. D. 377, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.

To—The Deputy Commissioners, Treasury Department, of Districts.

Circular No. 3319-26—*Ac.* 385, *dated* 25*th November* 1910.

It has been observed that, under the present arrangements, considerable delay takes place in the annual calculation of the interest due on the Savings Bank accounts kept at the Taluk and District Treasuries in the State and in adding the interest so calculated to the various accounts.

2. The chief causes that now contribute to this delay are the following:—

(i) There is, at present, no uniformity in the taluks as regards the form of the ledger or in the procedure of calculating interest. In some taluks, the same form of ledger as is used in the Comptroller's Office and in the District Treasuries is maintained and the initial calculation (annual) of interest is made in the taluk itself, while, in others, the taluk ledger forms contain no interest column and the initial interest calculation is made in the District Treasury.

(ii) The Taluk Savings Bank transactions are recorded in the ledgers kept in the District Treasuries; under this arrangement, the calculation of interest on each depositor's account and the preparation of annual accounts in respect of Taluk Savings Bank deposits also devolve on the District Treasuries. To remedy the state of affairs described above, as far as possible, the following instructions are issued with the approval of Government.

3. The maintenance of ledgers in the District Treasuries for Taluk Savings Bank transactions serves no useful purpose and results in mere duplication of work. Accordingly, the existing practice of maintaining in the District the duplicates of Taluk Savings Bank ledgers will be discontinued from 1st January 1911.

4. The District Treasuries should write up the current ledgers of Taluk Savings Bank accounts up to 31st December 1910 and send them to the taluks concerned along with the lists of dead accounts and connected ledgers.

5. The Taluk Treasuries should record the transactions from 1st January 1911, relating to Savings Bank accounts kept at them in the ledgers received from the District Treasuries.

6. The Taluk Treasuries should, from 1st January 1911, prepare monthly journals of receipts to and withdrawals from their Savings Bank accounts and submit them to the Comptroller through the District Treasury, which will attach its own journals to the taluk journals and also an abstract showing the aggregate receipts and withdrawals for the whole district for the month.

7. The Taluk Treasuries will, from the current official year, be responsible for the calculation of interest on Savings Bank accounts kept at them and for the submission of annual accounts in Form No. 9 in respect of such accounts.

8. The Taluk Treasuries should obtain in the usual course, from the Stationery Depot, Savings Bank ledger books and other forms for recording their Savings Bank Transactions and for submitting the monthly and annual accounts.

9. The ledgers to be kept in the District Treasuries will, from 1st January 1911, be confined to Savings Bank accounts the transactions of which actually take place at such treasuries.

10. The District Treasuries being responsible for the proper working of their sub-treasuries, will continue to be the channel for submission to the Comptroller of Taluk Savings Bank accounts and for communication of the orders of the Comptroller to the Taluk Treasuries.

11. The District Treasuries should submit to the Comptroller, in original, the annual accounts of Savings Bank transactions rendered by the Taluk Treasuries together with their own annual accounts and an abstract on which Savings Bank transactions of all the Taluk Treasuries and the District Treasuries should be exhibited.

12. At District Headquarters, it is unnecessary to permit Savings Bank acounts to be opened at both the Taluk and District Treasuries. Such accounts at the Taluk Treasuries situated at the District Headquarters are, at present, few, and in four of such treasuries namely, those at Bangalore, Shimoga, Chikmagalur and Hassan, there are no Savings Bank transactions at all. The numbers of Savings Bank accounts at the other four treasuries on 1st March 1910 were as follows:—

Kolar Taluk Treasury	...	... 128
Chitaldrug Taluk Treasury	...	... 137
Mysore Taluk Treasury	...	... 144
Tumkur Taluk Treasury	...	... 90

These accounts should be transferred to the District Treasuries concerned from 1st January 1911. From that date, there should be no Savings Bank accounts at Taluk Treasuries at District Headquarters and depositors should be directed to go to the District Treasury for opening new accounts or for operating on old accounts.

J. S. CHAKRAVARTI,
Comptroller.

KOLAR DISTRICT.

Notification dated 30th December 1910.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up; necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

5. Under Government Proceedings Nos. 155 and 24205-6—G. 6200, dated 2nd July 1891 and 21st June 1895, respectively, the Kanarese portion of the *Mysore Gazette* will be supplied to Shanbhogs, Patels and Nad Patels within the Province at *half* rates on production of certificate from Amildar of the taluk to the effect that such applicant is *bonâ fide* on duty at the time.

6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the Kanarese or English portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance*. When postage labels are sent in payment of subscription, etc., one anna extra per rupee should be added.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

12. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

CENSUS DEPARTMENT.

(All Census correspondence should be treated as 'URGENT'.)

Procedure to be followed in connection with the Special Industrial Census of Factories, Mines, etc.

Circular No. $\frac{31}{\text{Census 1911.}}$ OFFICE OF THE CENSUS SUPERINTENDENT IN MYSORE, *Dated Bangalore, the 12th December 1910.*

FROM

The Census Superintendent in Mysore.

TO

The Deputy Commissioners of Districts.

SIR,

In continuation of this Office Circular No. 502-09—Cir. 23, dated the 27th August 1910 and with reference to para 3 of my letter No. 793-800, dated the 21st September 1910, I have the honor to address you regarding the procedure to be followed in connection with the Special Industrial Census of Factories, Mines, etc.

2. In pursuance of the Circular cited in the above para, a list has been forwarded to this office of Factories, Mines, etc., employing or likely to employ not less than twenty persons on any one day for a period of one month preceding the date on which the Final Census is taken. The list should be revised and brought up to date early in February 1911, so as to prevent all risk of omissions; and particulars of the Institutions should be compiled in Form (A) appended and an Abstract thereof sent to this office to enable me to estimate the number of Schedules and Forms required.

3. The Special Schedule (Enclosure B) for the Census of these Institutions is to be filled up under Section 9 of the Mysore Census Regulation No. I of 1910 by the Manager or other person in charge of the respective Institutions. A letter (Annexure C) explaining what is required of him will be printed on the back of the Schedule. The blank spaces in this letter and at the top of the Schedule should be filled in beforehand and the letter signed by you as District Magistrate.

4. For obvious reasons, the ordinary Village Enumerator is unsuited for an enquiry of this kind. It is desirable that the Enumerator should be a Government official and one capable of explaining clearly the purport of the Form to the person requested to fill it in and of correcting at once any errors noticed in such Forms when collected. In towns, the Enumerators might be chosen from among the Clerks or Executive Officials of the Municipal President's or Deputy Commissioner's Offices, and in other cases they may be drawn from among the Clerical or Executive Staff in the Offices of the Amildar or other Chief Civil Officer of the area in which the Factories, Mines, etc., are situated. The Officers so deputed may be called "Special Enumerators."

5. These Special Enumerators should be appointed by you under a formal order of appointment given under your signature. With this order should be given to each of them:—

(1) an extract from the Register of Factories, etc., for which he is the Special Enumerator;

(2) the Schedules required for distribution to the Managers, etc., of these works.

At the same time, column 9 of the Register should be filled in.

6. The Schedules should be distributed to the Managers, etc., about a week before 10th March 1911, and this should be done by the Special Enumerator in person as it may be necessary to explain to the Manager how the Form should be filled in. The date and manner of issue of Schedule should be noted at the time in columns 10 and 11 of the Extract referred to in the preceding paragraph.

7. On the morning of the 11th March 1911, the Special Enumerator should himself collect the Schedules from the persons to whom they were distributed, and examine them on the spot and correct all obvious errors. The date of return of Schedules should then be entered in column 12 of the Extract.

8. The Enumerator should then arrange the Schedules in the order of the serial number shown at the head of the letter on the back of the Schedule (which will correspond to the number entered in column 2 of the Extract) and return them to you within a week of the Census with the Extract.

9. These Schedules when received in your office should again be checked with reference to the Register of Factories, etc., to make sure that no institution has been omitted, and columns 10, 11 and 12 of the Register should be written up from the Extracts received. The Schedules and the Register should then be forwarded to this office.

10. Any difficulties or doubtful points which may arise in carrying out this work may kindly be communicated to me so that they may, as far as possible, be met and decided uniformly for the whole State.

Circular No. $\frac{32}{\text{Census 1911}}$

FROM

The Census Superintendent in Mysore.

To

The Deputy Commissioners of Districts.

Sir,

I have the honor to state that, Enumeration Books with spare Schedule leaves having now been supplied from the press to all the Taluks, it is expedient to ascertain that books of proper sizes have been distributed to the several Enumerators and that the supply of the Books and of spare Schedule leaves is sufficient, to meet the requirements not only of the Preliminary but also of the Final Enumeration on the night of the 10th March 1911. The matter is so important that the least mistake by oversight or neglect might lead to confusion at the last moment of the Final Enumeration.

2. I therefore request that you will be so good as to instruct the Sub-Divisional Assistant Commissioners to go round their Taluks and assure themselves by close and personal inspections (1) that every Enumerator has been given an Enumeration Book suited to the size of his Block and containing sufficient spare leaves at the end for record of additional entries at the Final Enumeration, and (2) that each Circle Supervisor has with him a sufficient number of spare schedule leaves to meet all possible requirements of the Enumerators of his Circle. The Charge Superintendent should likewise keep with him a sufficient stock of spare schedule leaves, to be distributed on the spot, whenever during his inspections, he finds either an Enumerator or a Supervisor short of Schedule leaves. For this purpose the Assistant Commissioner should be instructed to be constantly on the move ascertaining the requirements of every Circle and Charge within his Sub-Division and at the same time checking the Preliminary Records of Enumeration in the several Villages as the Enumeration progresses. In short, it should be one of the important duties of the Sub-Divisional Assistant Commissioner at this stage of the Census Operations to regulate the supply of the Enumeration Books and Schedule leaves and to see to the prompt and satisfactory progress of the Preliminary Enumeration.

3. I may add that the Enumeration Books and Schedule leaves have been supplied to the several charge Superintendents on a liberal scale according to their own indents. The necessity for further supplies will therefore rarely arise.

If, however, after sufficient inspections the Assistant Commissioner thinks that the books and the schedule leaves already supplied to the several Taluks are still insufficient, he may submit a supplementary indent for the additional quantity of Schedule leaves which, in his opinion, are actually required. This supplemental indent should be sent through you so as to reach this Office on or before the 1st February 1911 latest.

4. If the submission of the supplemental indent be delayed or put off, it may not be possible to comply with the requirements in sufficient time before the final *Enumeration*. It is hardly necessary to add that these supplemental indents, if any, should be very carefully scrutinized so as to save wastage of paper and consequent unnecessary expenditure to Government.

I have the honour to be,
Sir,
Your most obedient servant,
V. R. THYAGARAJA AIYAR,
Census Superintendent.

Circular No. 2930—G. A. D. 377, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.

From—J. S. Chakravarti, Esq., M.A., F.R.A.S., etc., Comptroller to the Government of His Highness the Maharaja of Mysore.

To—The Deputy Commissioners, Treasury Department, of Districts.

Circular No. 3319-26—*Ac.* 385, *dated* 25*th November* 1910.

It has been observed that, under the present arrangements, considerable delay takes place in the annual calculation of the interest due on the Savings Bank accounts kept at the Taluk and District Treasuries in the State and in adding the interest so calculated to the various accounts.

2. The chief causes that now contribute to this delay are the following:—

(i) There is, at present, no uniformity in the taluks as regards the form of the ledger or in the procedure of calculating interest. In some taluks, the same form of ledger as is used in the Comptroller's Office and in the District Treasuries is maintained and the initial calculation (annual) of interest is made in the taluk itself, while, in others the taluk ledger forms contain no interest column and the initial interest calculation is made in the District Treasury.

(ii) The Taluk Savings Bank transactions are recorded in the ledgers kept in the District Treasuries; under this arrangement, the calculation of interest on each depositor's account and the preparation of annual accounts in respect of Taluk Savings Bank deposits also devolve on the District Treasuries. To remedy the state of affairs described above, as far as possible, the following instructions are issued with the approval of Government.

3. The maintenance of ledgers in the District Treasuries for Taluk Savings Bank transactions serves no useful purpose and results in mere duplication of work. Accordingly, the existing practice of maintaining in the District the duplicates of Taluk Savings Bank ledgers will be discontinued from 1st January 1911.

4. The District Treasuries should write up the current ledgers of Taluk Savings Bank accounts up to 31st December 1910 and send them to the taluks concerned along with the lists of dead accounts and connected ledgers.

5. The Taluk Treasuries should record the transactions from 1st January 1911, relating to Savings Bank accounts kept at them in the ledgers received from the District Treasuries.

6. The Taluk Treasuries should, from 1st January 1911, prepare monthly journals of receipts to and withdrawals from their Savings Bank accounts and submit them to the Comptroller through the District Treasury, which will attach its own journals to the taluk journals and also an abstract showing the aggregate receipts and withdrawals for the whole district for the month.

7. The Taluk Treasuries will, from the current official year, be responsible for the calculation of interest on Savings Bank accounts kept at them and for the submission of annual accounts in Form No. 9 in respect of such accounts.

8. The Taluk Treasuries should obtain in the usual course, from the Stationery Depot, Savings Bank ledger books and other forms for recording their Savings Bank Transactions and for submitting the monthly and annual accounts.

9. The ledgers to be kept in the District Treasuries will, from 1st January 1911, be confined to Savings Bank accounts the transactions of which actually take place at such treasuries.

10. The District Treasuries being responsible for the proper working of their sub-treasuries, will continue to be the channel for submission to the Comptroller of Taluk Savings Bank accounts and for communication of the orders of the Comptroller to the Taluk Treasuries.

11. The District Treasuries should submit to the Comptroller, in original, the annual accounts of Savings Bank transactions rendered by the Taluk Treasuries together with their own annual accounts and an abstract on which Savings Bank transactions of all the Taluk Treasuries and the District Treasuries should be exhibited.

12. At District Headquarters, it is unnecessary to permit Savings Bank acounts to be opened at both the Taluk and District Treasuries. Such accounts at the Taluk Treasuries situated at the District Headquarters are, at present, few, and in four of such treasuries namely, those at Bangalore, Shimoga, Chikmagalur and Hassan, there are no Savings Bank transactions at all. The numbers of Savings Bank accounts at the other four treasuries on 1st March 1910 were as follows:—

Kolar Taluk Treasury ...	... 128
Chitaldrug Taluk Treasury ..	137
Mysore Taluk Treasury ...	.. 144
Tumkur Taluk Treasury ...	... 90

These accounts should be transferred to the District Treasuries concerned from 1st January 1911. From that date, there should be no Savings Bank accounts at Taluk Treasuries at District Headquarters and depositors should be directed to go to the District Treasury for opening new accounts or for operating on old accounts.

Comptroller.

Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

Circular No. 2930—G. A. D. 377, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.

FINANCIAL DEPARTMENT.

Circular No. 2980—G. A. D. 877, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.

Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

Circular No. 2030—G. A. D. 377, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.

Circular No. 2930—G. A. D. 377, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. 3. If no instructions accompany any matter, it will be published only once.

FINANCIAL DEPARTMENT.

Circular No. 2930—G. A. D. 877, dated 14—18th November 1910.

To

All Gazetted Officers, Amildars, Deputy Amildars and Munsiffs.

The undersigned has the honor to observe that certificates of giving over and taking charge, or of proceeding on and returning from leave in the case of officers to whom this circular is addressed are not received in this office in many instances till long after the occurrence, and in some instances not received at all, till called for by this office. This throws unnecessary work on this office in issuing requisitions for such certificates (the number of requisitions issued during the last two official years and the three months of the current year being about 280, 270 and 70 respectively), besides putting it to very great inconvenience in not being in possession of up-to-date information regarding these incidents in the services of gazetted and other officers, which information is necessary for several purposes.

To avoid this inconvenience, the undersigned has the honor to invite the attention of all officers to Article 47 of the Civil Account Code, Volume I, which requires that such transfers of charge should be reported *by post of the same day* to the Comptroller, and to request that special attention may be given to this rule in future. This report is required for audit purposes and should be submitted direct by the officers immediately concerned, separate reports being sent to higher administrative authorities through the usual channel as required by departmental rules.

The report may be in the form of a letter, specimen of which is appended below. This cancels the form annexed to this office Circular No. 1918—G. A. 637, dated 17th September 1898, published in Part II of the *Mysore Gazette* dated 29th September 1898.

R. 591-03-10, dated 20th September 1910, have undergone a thorough change as regards the number given to the several papers sorted for preservation under the two heads A and B whether the number already given to the papers under the old rules of the 19th November 1903, No. R. 1356-65 has to be changed according to the revised rules?	Yes; for the sake of uniformity and convenience of future reference.
2. Circular Memorandum No. 9199—206, dated 6—8th March 1911.

In inviting the attention of the Deputy Commissioners of Districts and other officers of the Revenue Department to Government Order No. 6499-532—R. 2227, dated the 22nd January 1897, insisting on officers signing their names legibly (republished below for ready reference), the Revenue Commissioner regrets to notice that the Government Order is very much neglected especially by the graded officers of small service and others employed in the lower ranks. 2. It is also directed that where one officer signs for the head of the office or any other officer, the official designation of the former should also be added, as it becomes very difficult to guess the same after some years.

MISCELLANEOUS.

OFFICE OF THE COMPILER, *MYSORE GAZETTE*.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the Kanarese or English portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance*. When postage labels are sent in payment of subscription, etc., one anna extra per rupee should be added.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

If two straight lines intersect, the vertically opposite angles are equal.

Parallel straight lines—When a straight line cuts two other straight lines, if

(i) a pair of alternate angles are equal

(ii) a pair of corresponding angles are equal or

(iii) a pair of interior angles on the same side of the cutting line are together equal to two right angles, then the two straight lines are parallel; and the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

Triangles and rectilinear figures.—The sum of the angles of a triangle is equal to two right angles.

If the sides of a convex polygon are produced in order, the sum of the angles so formed is equal to four right angles.

If two triangles have two sides of the one equal to two sides of the other, each to each, and also the angles contained by these sides equal, the triangles are congruent.

If two triangles have two angles of the one equal to two angles of the other, each to each, and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

Of all the straight lines that can be drawn to a given straight line from a given point outside it, the perpendicular is the shortest.

The opposite sides and angles of a parallelogram are equal; each diagonal bisects the parallelogram and the diagonals bisect one another.

If there are three or more parallel straight lines and the intercepts made by them on any straight line that cuts them are equal, then the intercepts made by them on any other straight line that cuts them are also equal.

Areas.—Parallelograms of the same altitude on the same or equal bases are equal in area. Equal triangles on the same or equal bases are of the same altitude.

2. The Veterinary Inspector in the employ of the City Municipality shall be in charge of the Municipal slaughter-house in the City of Bangalore, and shall see that no diseased sheep or goats are slaughtered therein for food, or their carcasses removed to the Municipal markets or other recognised and licensed places for sale.

4. The Veterinary Inspector shall also examine the carcasses or animals slaughtered in the slaughter-house, and shall destroy or bury at such time and place as may be appointed by the President or the Health Officer, any carcass or organ or any part of any carcass that he may find diseased and unfit for human consumption, (as wholesome food), with the previous sanction of the Health Officer or any other officer of the Municipality as the President may appoint on this behalf. The orders of the President in the matter shall be final.

The total population shows an increase in all the cities and districts in the State, except in the Malnad Districts of Kadur and Shimoga, where there has been a decline of 5·91 and 2·92 per cent respectively. There has been a remarkable expansion in the population of the Cities of Bangalore and Kolar Gold Fields which have gone up by 27·68 and 26·04 per cent respectively.

4. In all the districts, except Mysore and Hassan, the males outnumber the females; in these two districts, the female population is larger, although in the Mysore City itself males preponderate over females.

5. In the Civil and Military Station, Bangalore, and the Kadur District, the total number of occupied houses has declined by 14·58 and 3·56 per cent, respectively, as compared with the Census figures of 1901. All the other cities and districts show an increase which is especially remarkable in the City of Bangalore where the number of houses has gone up by 4,398 or 29·7 per cent during the decade.

6. Annexed statements will indicate details by cities and districts. It may be here mentioned that the slight interchanges in the territorial limits of the districts of Tumkur, Kadur and Chitaldrug that have taken place since the previous Census of 1901 have been allowed for in the statements by effecting corresponding changes in the previous Census (1901) totals of population of these districts so that the population in 1911 of these three districts stands compared with that of identically the same areas in 1901.

V. R. THYAGARAJA AIYAR,
Census Superintendent.

Resolution.—Recorded.

IV. Read Government Proceedings No. 6055—L. B. 210-101-2, dated 18th January 1911, condoning the absence of W. L. Crawford, a member of the Hassan District Board, from three consecutive meetings of the Board.

Resolution.—Recorded.

V. Read the budget estimates of the Hassan District Board for 1911-12 and the memo explaining the items therein framed by the Finance Committee.

Resolution.—Resolved that the budget estimates for 1911-12 be passed and sent up to Government for sanction.

Further resolved that as the 1st class musafirkhana at Hassan has been completed and opened to the public, pending sanction of Government (which may be applied for at once) pay of a care-taker on Rs 6 and a sweeper on Rs. 4 per mensem be provided in the budget for 1911-12.

VI. Read docket No. 4759—L. F. 493-4, dated 13th February 1911, from the Comptroller in Mysore, declining to audit the pay bills of the Harnahalli Vaidyasala establishment for November and December 1909 and January 1910 on the ground that the privilege leave granted to the Hakim is inadmissible.

Resolution.—Resolved that this Board are of opinion that as the Hakim was appointed in 1905 (*vide* District Board Resolution No. VIII, dated 3rd April 1905) and as his appointment was finally confirmed on the strength of Government Proceedings No. 11782-4—L. B 444-08-2, dated 13th June 1907, the subsequent Proceedings of Government No. 2617-26—L. Resolution.—Resolved that the present practice of sweepers providing their own brooms may continue as it has worked satisfactorily.

VIII. Read Executive Engineer's letter No. 70, dated 25th—26th January 1911, requesting that a sum of Rs. 5,017 out of Rs 5,900 sanctioned in the current year's District Fund budgets on account of contribution for dispensaries, may be placed at the disposal of the Public Works Department.

Resolution.—Resolved that it should be pointed out to the Executive Engineer that a total provision of Rs. 5,700 only is available in the sanctioned budget for 1910-11, under "IX. Contributions, (4) (5) and (8)" and not Rs. 5,900 as stated in the Executive Engineer's letter No. 70, dated 25th January 1911. There being an excess provision of Rs 821 (*viz.*, Rs. 4,350-3,529) relating to the construction of buildings for the Local Fund Dispensary at Saklespur, and as the Executive Engineer brings to notice that the estimates of cost of constructing Hospital Assistant's quarters at Hanbal and Arehalli amount to Rs. 942 thus exceeding the budget provision of Rs. 900 by Rs. 42 and that the total amount of District Fund quota towards repairs of Local Fund Dispensaries amounts to Rs. 546 against the budget provision of Rs. 450, an extra amount of Rs. 96 is required.

Hence resolved that the excess amounts of Rs. 42 and Rs. 96, *viz.*, Rs. 138 in all be met out of the excess budget provision of Rs. 821, thus still leaving an available balance of Rs. 683 under the above mentioned three minor heads under the major head "IX. Contributions."

IX. Read Executive Engineer's docket No. 71, dated 25th—26th January 1911, suggesting that the cost of the special repairs carried out to Channarayapatna-Sravanabelagola road in connection with the tour of His Excellency the Governor of Madras, may be met out of the balance of Rs. 800 available under "C. IX Contributions" after payment of Rs. 5,017 on account of contribution for dispensaries.

Resolution.—Resolved, in modification of this Board's Resolution No. III passed at the meeting held on the 5th December 1910, that (owing to the provision mentioned therein being required for providing a new platform to the ferry boat at Gorur)

Rs. 584 being the cost of special repairs to the Channarayapatna-Sravanabelagola road be met out of Rs. 683 being the balance (mentioned in Subject No VIII above) still available under "IX. Contributions (8)" in the District Fund Budget for 1910-11, and that Government sanction be obtained through the Comptroller to this reappropriation.

X. Read Executive Engineer's docket No. 105, dated 14th—15th February 1911, forwarding for countersignature and return, a modified estimate for Rs. 150 for repairing the Local Fund Dispensary at Channarayapatna.

Resolution.—Resolved that for want of sufficient provision in the budget, the supply of a new dug-out boat may be deferred until next year, and that a new platform only be supplied this year at a cost of Rs. 336 to be met out of the remaining provision under "A.—P. W., I. Original Works" in the District Fund Budget for 1910-11.

XII. Read Executive Engineer's docket No. 985, dated 29th—30th December 1910, forwarding for countersignature and return, an estimate amounting to Rs. 82 for repairing the platform boat at Gunny Ferry.

Resolution.—Resolved that this estimate be deferred for want of funds since the Executive Engineer now states that the repairs are not urgent and may be deferred until next year.

XIII. Read Executive Engineer's memo No. 59, dated 24th—25th January 1911, forwarding a copy of his letter No. 48, dated 24th—25th January 1911, addressed to the Superintending Engineer, Northern Circle, proposing that the Bisle Ghat portion of the Sukravarsante-Subramannya road, *viz.*, the last 19, miles may be included for maintenance out of Provincial Funds, and stating that after this proposal is sanctioned, definite proposals for increasing the grants to other District Fund Boards will be submitted.

Resolution—Resolved that this Board are of opinion that it is most necessary that the cost of up-keep of this portion (*viz.*, 19 miles) of the Sukravarsante-Subramannya road, should be transferred to Provincial Funds so as to enable better provision to be made for certain District Fund roads which are now in very bad order.

XIV. (*a*) Read Resolution No. X, dated 5th December 1910, resolving that the question of metalling the Channarayapatna-Sravanabelagola road may be taken up after receipt of the proposal of the Executive Engineer for taking over the cost of up-keep of a portion of a certain District Fund road to the Provincial Budget.

Resolution.—Resolved that the result of the Executive Engineer's reference to the Superintending Engineer, referred to in Subject No. XIII above, has to be awaited.

(*b*) Read also Subject No. XIII of District Board meeting dated 30th and 31st May 1910.

Resolution.—Resolved that the estimate for Rs. 75 may be countersigned and returned to the Executive Engineer for execution, this small cost being met out of general savings among funds placed at the Executive Engineer's disposal.

XVI. Read this office yadi No. 2343, dated 5th—6th February 1911, sanctioning the execution of repairs to the chattram building at Gandasi at a cost of Rs. 100 appropriating the amount for this purpose out of Rs. 200 sanctioned in the current year's District Fund Budget under "X. Miscellaneous, Cattle Shows," as the building had to be made fit for occupation by His Holiness the Jagadguru of Sringeri during his tour through a portion of this district.

Resolution.—Resolved that the action of the President, which was necessary under the urgent circumstances, be approved, and that a reappropriation statement be sent up through the Comptroller for Government sanction.

XVII. Read Manjarabad Taluk Amildar's report No. 291—L. F., dated 16th February 1911, forwarding for sanction and return an estimate for Rs. 60 for repairing the musafirkhana at Saklespur.

CENSUS DEPARTMENT.

No. 2891.

OFFICE OF THE CENSUS SUPERINTENDENT IN MYSORE.

Dated Bangalore, 20th March 1911.

OFFICIAL MEMORANDUM.

Provincial Totals of the Census, 1911.

The recent Census taken on the night of 10th March 1911 shows for the Mysore State, including the Civil and Military Station, Bangalore, a total population of 5,806,796 consisting of 2,934,651 males and 2,872,145 females, the total number of occupied houses being 1,166,379.

2. Compared with the Census figures of 1901, the above totals indicate an increase of 4·83, 4·92, 4·73 and 5·01 per cent under the respective heads of total population, males, females and occupied houses.

3. The total population shows an increase in all the cities and districts in the State, except in the Malnad Districts of Kadur and Shimoga, where there has been a decline of 5·91 and 2·92 per cent respectively. There has been a remarkable expansion in the population of the Cities of Bangalore and Kolar Gold Fields which have gone up by 27·68 and 26·04 per cent respectively.

4. In all the districts, except Mysore and Hassan, the males outnumber the females; in these two districts, the female population is larger, although in the Mysore City itself males preponderate over females.

5. In the Civil and Military Station, Bangalore, and the Kadur District, the total number of occupied houses has declined by 14·58 and 3·56 per cent, respectively, as compared with the Census figures of 1901. All the other cities and districts show an increase which is especially remarkable in the City of Bangalore where the number of houses has gone up by 4,398 or 29·7 per cent during the decade.

6. Annexed statements will indicate details by cities and districts. It may be here mentioned that the slight interchanges in the territorial limits of the districts of Tumkur, Kadur and Chitaldrug that have taken place since the previous Census of 1901 have been allowed for in the statements by effecting corresponding changes in the previous Census (1901) totals of population of these districts so that the population in 1911 of these three districts stands compared with that of identically the same areas in 1901.

V. R. THYAGARAJA AIYAR,
Census Superintendent.

B.—In 1902 a few villages from Tumkur and Kadur Districts were transferred to Chitaldrug District on the constitution of Hosdurga (Sub-Taluk) into a Taluk. The other variations in area are due to corrections from time to time made in the revenue records as errors were discovered in re-survey of tracts.

JUDICIAL DEPARTMENT.

IN THE CHIEF COURT OF MYSORE.

CIVIL SIDE.

Notification dated the 28th March 1911.

It is hereby notified that the following Rules for the service and execution of processes issued by the Civil Courts in the Mysore State, and the fees chargeable therefor, framed by the Chief Court under the provisions of Section 29 of the Mysore Court Fees Regulation, in supersession of those contained in Notification dated 25th January 1905, have received the sanction of Government and shall come into force from the 1st July 1911.

1. At all stations the process establishment shall be under the immediate direction of a Process Nazir, who shall be under the control of the Munsiff to whose court it is attached.

2. (*a*) There shall be two classes of Process Nazirs and their pay shall be 1st class Rs. 25—1—30, and 2nd class Rs. 20—1—25, a month.

Process Nazirs of the 1st class shall be provided for Munsiffs' Courts graded as 1st class, and Process Nazirs of the 2nd class for the Munsiffs' Courts graded as 2nd and 3rd classes.

(*b*) There shall be two classes of Amins and their pay shall be 1st class Rs. 16 and 2nd class Rs. 14, a month.

The proportion of Amins in the higher grade shall not exceed 1 to 2 in the lower grade.

(*c*) There shall be two classes of peons and their pay shall be 1st class Rs. 8, and 2nd class Rs. 7, a month.

The proportion of peons in the higher grade shall not exceed 1 to 3 in the lower grade.

The appointment of Process Nazir and his establishment shall be made by the Munsiff to whose Court they are attached. All appointments shall be subject to the provisions of Section 21 of the Civil Courts Regulation No. 1 of 1883.

2. Each Process Nazir must furnish security in the sum of Rs. 250 or in such higher sum as may be fixed by the Chief Court. Each Amin of the 1st class must furnish security in the sum of Rs. 120 and each Amin of the 2nd class in the sum of Rs. 100. The security in the case of the 1st class peons shall be Rs. 75 and for those of the 2nd class Rs. 50.

4. The security to be furnished by Nazirs and Amins shall either be by bond with deposit of title-deeds of immoveable property, or deposit of cash or Government Promissory Notes; and the security to be furnished by peons shall be by bond with two sureties, or by deposit of cash, which should be invested in the District Savings Bank in the name of the depositor.

5. The 'proper officer' to whom processes shall be transmitted for service under Section 72 of the Code of Civil Procedure, 1882, shall be the Process Nazir of the Munsiff's Court within whose jurisdiction the processes are to be served.

6. The processes of each Court shall be numbered consecutively as soon as all the batta charges have been paid, and shall be entered in a register in Form A and issued for service in the order of receipt, precedence, however, being given to urgent processes issued as per Rule 18 and Note 3 to Rule 24.

The amount of batta to be paid must be notified on each process sent for service but shall be retained with the Court Nazir.

7. At 3 P.M., daily the Chief Ministerial Officer of each Court shall sign the register of Processes and process fees and transmit it to the Process Nazir together with the processes to be served or executed by him, which have been prepared upto that hour. Any processes prepared after 3 P.M., shall be sent to the Nazir not later than 11-30 the following morning together with the Register signed as above. After verifying the entries relating to himself. the Process Nazir shall return the Register to the Court concerned with his countersignature.

8. One hour before the post time for each outlying station the Chief Ministerial Officer of each Court shall have a list prepared in Form A, of all processes to be served or executed within the jurisdiction of such outlying court, and such list shall be forthwith sent by post on Mysore Government Service to the Process Nazir of that station together with all such processes.

9. On receiving any batch of processes, the Process Nazir shall consecutively number and enter them in a register which shall be kept by himself or under his superintendence in Form B.

10. He shall thereupon arrange for the distribution of the processes, and, after the necessary entries have been made in the Roster (Form C), shall deliver them to the several Process Servers. As far as possible all processes other than warrants of arrest, for persons residing in the same neighbourhood shall be served by one process server and not by several whether issued by the same or different courts.

Every Process Nazir shall be held directly responsible for the proper service and return in due time of the processes.

The Process Servers should maintain a Register in Form D.

11. Every day, at such hours as the controlling officer may fix, having regard (when necessary) to the hours at which the post closes, the Process Nazir shall enter in a despatch book or list the processes to be returned to each court giving them their original court numbers, and shall transmit them to the Chief Ministerial Officer, who shall sign and return the despatch book or list.

12. It shall be the duty of the Chief Ministerial Officer to have the processes returned and the batta amounts, if any, disbursed thereon entered in the appropriate columns of his Register A and to bring to the notice of the presiding Judge any unusual delay.

13. At the close of each day, every Process Nazir shall enter in his Register B the number of processes distributed during the day and the number of peons remaining unemployed after the distribution.

14. When a warrant for the arrest of a judgment-debtor is returned unexecuted, the Amin or process server will at once be placed before the Court by which the warrant was issued with a view to his being examined in the manner prescribed by Section 343 of the Code of Civil Procedure. If the Court finds it inconvenient to make such examination as soon as the process server is so placed before it, it may postpone such examination to such other date as may be fixed by it, provided that the time that intervenes between such date and the date fixed for the return of the warrant is sufficient to admit of the process being re-issued in the event of the Court holding that there was not sufficient cause for the warrant being returned unexecuted.

15. When any person has been arrested or moveable property seized, by a process server of an outlying Court under a warrant issued by a Court superior in grade to the outlying Court, the process server shall forthwith bring such person or property to the station of such Court and deliver him or it to the Process Nazir, provided that this rule shall not apply to property not required to be brought to the Court-house.

Such Process Nazir shall immediately give the process server a receipt and send him back to his own Court, and shall produce such person or property before the Court which issued the processes.

When money shall have been recovered upon any such process, it shall be received by the outlying Court, and duly transmitted, together with the process, to the Court concerned.

16. A permanent advance of Rs. 200 will be made to each Process Nazir for the batta of witnesses, etc. The amount of batta notified on each process sent to the Nazir for service will be paid out of it unless, in special instances, moneys are sent along with process, in which case the amount should be credited in Register F as soon as it is received.

The Chief Court may at its discretion increase or reduce the permanent advance of any particular Process Nazir.

All moneys received, disbursed or remitted by the Process Nazir shall be at once entered in Register F.

Whenever the Process Nazir of a Court has not sufficient money in his hands to pay for processes that have to be issued for service, he may, with the sanction of the presiding Judge of such Court, draw the amount required for such processes as are of his own Court as an advance from the said Court and enter the sum so received in Register F. The sums so drawn should be adjusted in due course by their being included in bills drawn under the next rule.

17. On or before the 6th of each month, or whenever a sum of Rs. 25 or more is due by any Court, the Process Nazir shall send to the Court concerned a bill in Form E showing the account between them.

The Head Ministerial Officer of each Court shall, on receipt of the bill, carefully check it with reference to his Register A, object to items not admissible in the remark column and prepare an extract of such items with details. He shall total the remaining items and pass the same for payment and send the bill together with the extract of objections to the Court Nazir. The latter shall, after debiting the passed items individually in his Cash Register, forward the amount together with the passed bill and the extract to the Process Nazir who will endorse the receipt of money on the bill and forward it to the Court Nazir retaining the extract for further action.

The Courts in the same station as the Process Nazir should remit the amount claimed within three days of receipt of the bills and a week should be the longest time allowed in the case of Courts at outlying stations.

The amount due to each Process Nazir of an outlying station must be remitted through the Government Treasury if there is a Treasury at the outlying station and if not by a postal money order the cost of which may be charged in the contingent bill.

18. The presiding Judge of any Court may, for any sufficient reason, at any hour of the day, transmit a process for emergent execution, and it shall be the duty of the Pocess Nazir on receiving such process signed by the Judge to make immediate arrangements for its execution.

In a case of very special urgency, the presiding Judge may deliver any such process to one of the process servers in attendance on his Court for immediate service or execution.

19. The presiding Judge of any Court may direct, on the application of the party applying for the particular process which should ordinarily be sent for service to an outlying Court, that it be served or executed by a special process server from headquarters : provided that the pay of such process server at the rate of four annas a day for a peon or eight annas for an amin, for the time he is likely to be employed on such duty, be paid in advance ; and the Judge may, for any sufficient reason, direct that such extra charge be costs of the suit or proceeding.

20. Except for very special reasons, which must be recorded in writing, no Court shall direct that a judgment-debtor be left in the custody of a peon, unless a second peon is deputed to assist him and the pay of both at four annas a day for each up to the time fixed for the adjourned hearing, be paid in advance.

Payments under this and the preceding rule shall be made in process Service stamps.

21. Unless the Chief Court shall otherwise direct, upon due cause being shown, the number of Amins and peons to be employed under any process Nazir shall be sufficient, and no more than sufficient, for the execution of not less than 150 processes a year by each amin and not less than 400 processes a year by each peon, provided that 3 peons for each Court shall be told off in rotation for 10 days at a time to attend the Court to help to keep order and guard the Court house and to be available for emergent processes under Rule 18.

22. In calculating the number of processes, if more than one of the same description have been issued on behalf of the same party at the same time in the same suit or proceeding and executed in the same town or village, the first only shall be reckoned as a full process, and each subsequent set of three or part thereof shall count as but one process, whether executed by one or more peons. Three processes will be counted for each emergent process and one for each day that a peon is in charge of a judgment-debtor or engaged on any special duty.

23. At the end of each month every process Nazir shall prepare a statement showing the total number of processes calculated as above executed by each amin or process-peon

during the month, noting also the number of processes declared by the several Courts as emergent and shall submit the same to the District Judge. The District Judge shall forward the same in original to the Chief Court for perusal and return.

The District Judge shall reduce the number of peons in any process establishment in his division whenever the average number of processes for each man (exclusive of those allowed under Rule 21 to be in attendance in the Courts) falls short of the prescribed minimum by more than ten per centum, provided that if sufficient cause appears for lowering the minimum, he may report the matter for the orders of the Chief Court.

The District Judge will obtain and forward to the Chief Court a monthly return of receipts and disbursements on account of the service of processes showing the number of processes arrived at in the manner laid down in Rule 22 separately of amins and peons excluding only those on which no action has been taken by the peon or amin, owing to the petition having been compromised or withdrawn or for any other reason, after the process has been issued. The processes issued to amins will comprise all processes for attachment or sale or delivery of possession of property movable or immovable and certain warrants of arrest. Draft Bye-laws for regulating the working of Slaughter-houses within the limits of the City of Bangalore, framed in exercise of the powers conferred by Section 48, sub-section (*a*) of the Mysore Municipal Regulation, No. VII of 1906.

1. The Municipal slaughter-house situated on the Fort road shall be the place for the slaughter of sheep or goats.

2. The Veterinary Inspector in the employ of the City Municipality shall be in charge of the Municipal slaughter-house in the City of Bangalore, and shall see that no diseased sheep or goats are slaughtered therein for food, or their carcasses removed to the Municipal markets or other recognised and licensed places for sale.

3. The Veterinary Inspector shall carefully inspect each and every animal brought for slaughter daily whether for private consumption or sale to the public, and satisfy himself that such animals are perfectly healthy, before he admits them into the slaughter-house.

4. The Veterinary Inspector shall also examine the carcasses or animals slaughtered in the slaughter-house, and shall destroy or bury at such time and place as may be appointed by the President or the Health Officer, any carcass or organ or any part of any carcass that he may find diseased and unfit for human consumption, (as wholesome food), with the previous sanction of the Health Officer or any other officer of the Municipality as the President may appoint on this behalf. The orders of the President in the matter shall be final.

8. The hours of Slaughtering sheep and goats shall be from 3 to 6 P.M., after which hours, the slaughter-house shall be cleared of the skins of all sheep and goats and the offal of all animals slaughtered, in order that the servants may commence removing all refuse therefrom, and otherwise attending to the cleanliness of the slaughter-house.

MISCELLANEOUS.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

5. Under Government Proceedings Nos. 155 and 24205-6—G. 6200, dated 2nd July 1891 and 21st June 1895, respectively, the Kanarese portion of the *Mysore Gazette* will be supplied to Shanbhogs, Patels and Nad Patels within the Province at *half* rates on production of certificate from Amildar of the taluk to the effect that such applicant is *bonâ fide* on duty at the time.

6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the Kanarese or English portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance.* When postage labels are sent in payment of subscription, etc., one anna extra per rupee should be added.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 7976, *dated* 6*th April* 1911.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs, and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1911 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless be holds a power-of-attorney from him.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit may be raised to one month's khist in addition to the deposit made under condition II unless the initial deposit equals or exceeds two months' rent.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

* Deposits may be in cash or other approved security.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General Conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

Note 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

Note 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000 and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers and the premises shall be kept clean and in a sanitary condition.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavoring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. Lists of the names of all persons employed or proposed to be employed in depots or shops shall be recorded in the Taluk Cutcherry by the license-holder. The Amildar shall be competent to

forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 7976, *dated 6th April* 1911.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs, and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1911 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit may be raised to one month's khist in addition to the deposit made under condition II unless the initial deposit equals or exceeds two months' rent.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

* Deposits may be in cash or other approved security.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General Conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

Note 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

Note 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000 and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers and the premises shall be kept clean and in a sanitary condition.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavoring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. Lists of the names of all persons employed or proposed to be employed in depots or shops shall be recorded in the Taluk Cutcherry by the license-holder. The Amildar shall be competent to

forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the Cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards, or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise Officers and Railway servants when on duty; or,

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police;

(2) child under 16 years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission, which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must

be maintained therein. Shops not opened by 1st July shall be liable to be re-sold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensees shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

20. No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.*

21. No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.†

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The account and permit books may be obtained from the local Excise Officers on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, intoxicating drugs or opium received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by any Excise Officer not below the rank of an Assistant Inspector.

23. Such returns and information as may be required from time to time by any officer not below the rank of an Excise Assistant Inspector shall be furnished by holders of licenses without delay.

24. Only such weights and measures as may from time to time be prescribed by the Excise Commissioner shall be possessed or used on any licensed premises. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment. In the case of toddy shops earthen measures may be used provided they are of the same capacity as those of the prescribed measures.

25. Any officer of the Excise Department of rank not lower than Sub-Inspector is authorised to inspect licensed shops and depôts. These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, intoxicating drugs and opium in the possession of licensees, and to call for and check the accounts kept in the shop or depôt. Police Officers will also make inspections when it comes within the scope of their duty.

26. An inspection note book, with the pages numbered consecutively, for inspecting officers to enter their remarks in shall be maintained, and be handed over to the Excise Inspector in charge of the Range or any officer authorised by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 20th of each month beginning with July. The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

NOTE.—In the malnad and semi-malnad taluks, the Deputy Commissioners may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Amildar.

30. Power is further reserved to Revenue Officers to suspend licenses in case of failure of payment of khists or (in the case of toddy) tree-tax also on the due dates. In the case of arrack, toddy and drug shops this power will be exercised by Amildars and in other cases by the Deputy Commissioners.

31. In the event of the aforesaid arrack, toddy or drug licensee failing to pay his khist, the Amildar with the sanction of the Deputy Commissioner by record in writing and after suspending the license shall re-sell on the last working day of the month for which the

*1. Arrack 25° Under Proof—Fixed price 2 annas per dram.

khist is due (close holidays excepted) the privilege of sale with effect from the date of issue of license to the new purchaser or the privilege may be otherwise disposed of subject to the Deputy Commissioner's confirmation. All losses on account of suspension and re-sale or other disposal of the privilege shall be borne by the defaulting licensee, but he shall have no right to gain, if any, which accrues. The whole of the deposit, if any, made at the commencement of the lease will be liable to forfeiture. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

32. Interest on all moneys due shall be payable at the rate of one pie per rupee per mensem or part thereof.

33. Infraction of any of the conditions of the license either by a licensee or by any person in his employment will entail on the licensee

either (*a*) fine up to Rs. 50;

or (*b*) forfeiture of deposits, if any, and cancellation of license and re-sale or other disposal of the privilege at the risk of the licensee.

The licensee or his agent may also be prosecuted for the specific offence committed. The rent for the whole lease shall become due at once, when a lease is cancelled under this condition.

NOTE.—For continuing breaches of a license, continuing fines may be imposed.

34. Any license may be forfeited and the privilege be re-sold or otherwise disposed of at the risk of the licensee if the licensee be convicted before a Magistrate of any offence against the *Excise Regulation or Opium Act* or of any offence under the Indian Penal Code, which in the Deputy Commissioner's opinion renders him unfit to hold it. *The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license.* Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.

35. Licensees are bound to report to the Deputy Commissioner all instances which come to their knowledge of persons employed by them in the manufacture, carriage or sale of liquor, opium and intoxicating drugs, committing breaches of the Excise or Opium Laws or of engagements entered into by them and to comply with the Deputy Commissioner's orders respecting the continued employment of such persons. No persons who have been convicted under the Indian Penal Code shall be employed in the carriage or sale of liquor, opium and intoxicating drugs without the Deputy Commissioner's previous permission.

36. Pecuniary dealings by licensees of any kind whatever with officials of the Excise Department are absolutely prohibited.

37. With the sanction of the Excise Commissioner, any license shall be revocable by the Deputy Commissioner at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

38. All licensees shall be bound by any additional general rules that may be prescribed under the Excise or Opium Laws and, if so required by the Deputy Commissioner or any officer authorized by him, to deliver up their licenses for amendment or for the issue of fresh ones.

39. No licensee shall have claim to any compensation or remission on account of any arrangements which may be made in regard to liquors or intoxicating drugs other than those to which his license relates.

40. No licensee of any one kind of liquor shop shall, during the term of such license, have any interest in the exclusive privilege of vending any other kind of liquors within five miles from it, nor shall he permit any person having such interest to hold any share or interest in his exclusive privilege.

XX. Conditions applicable to Arrack Licenses.

1. The privilege conferred by the license extends only to the sale of arrack ordinarily of the strength of 25° U. P. and with the special permission of the Deputy Commissioner to the sale of spirits of other strengths. In places where there are no shops for the vend of foreign liquors or special liquors manufactured in the Government Central Distillery at Bangalore or where the foreign liquor shop-keepers do not undertake to sell the special or double-distilled liquors of such strength as may be fixed by the Excise Commissioner, the holder of the arrack shop license of approved character may, with the sanction of the Excise Commissioner, be permitted to sell the same in duly corked sealed bottles not to be drunk on the premises subject to conditions otherwise applicable to the sale of arrack. Similarly in places where separate shops are not licensed for the sale of sugar cane jaggory arrack or special liquors, the arrack shop-keeper may be permitted to sell jaggory arrack in reputed pint or quart bottles.

2. Spirits shall be purchased only from the Bonded Depôts established by Government at the following rates :—

(1) Palmyra jaggory and molasses arrack at Re. 0-13-2 per gallon of 25° U. P.

But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

7. For all toddy-yielding trees, tree-tapping licenses shall be annual, from the 1st July to the 30th June next irrespective of the time when the application for a tree-tapping license is made. MISCELLANEOUS.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

5. Under Government Proceedings Nos. 155 and 24205-6—G. 6200, dated 2nd July 1891 and 21st June 1895, respectively, the Kanarese portion of the *Mysore Gazette* will be supplied to Shanbhogs, Patels and Nad Patels within the Province at *half* rates on production of certificate from Amildar of the taluk to the effect that such applicant is *bonâ fide* on duty at the time.

6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the Kanarese or English portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance.* When postage labels are sent in payment of subscription, etc., one anna extra per rupee should be added.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

12. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

K. V. ANANTARAMAN,
For *Revenue Commissioner.*

EXCISE DEPARTMENT.

NOTIFICATION.

NOTICE OF SALE OF EXCISE AND OPIUM PRIVILEGES.

No. 7976, *dated 6th April* 1911.

Notice is hereby given that the exclusive privilege of selling liquor, intoxicating drugs, and opium in the several shops appointed for the purpose and published in the Schedule during the twelve months beginning 1st July 1911 and ending 30th June 1912, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the Taluk or Sub-Taluk Headquarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

Conditions of Auction Sale.

II. A deposit must be made by each bidder previous to bidding and will be received *by the selling officer on the day of sale.* A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small, the selling officer may fix such other reasonable amount as he may deem fit.

III. The shops will be put up to auction in the order in which they are notified in the Schedule unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published but the rentals and the consumption of the previous three years will be notified for the information of bidders.

Note 1.—The privilege of vending toddy in any Coffee Estate may be sold to the Planter for any fixed amount not less than Rs. 12 per shop per annum.

Note 2.—Toddy shops in alienated villages whose claims to the Excise revenue from toddy have been recognized or have not yet been settled, shall invariably be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

IV. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

VII. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative after recording his reasons for doing so. Village officers will not be allowed to bid for or to have any pecuniary interest in shops for the sale of intoxicants within the limits of their villages.

VIII. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government on the advice of the Excise Commissioner for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

IX. In cases of dispute at the time of auction, the selling officer's decision shall be final; and if for any reason the highest bid is rejected, the next highest shall be taken or the shop resold at his discretion.

X. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

XI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit* of half a month's rent (in addition to the deposit made under condition II) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition II will be forfeited and the shops will be put up again immediately to auction by the selling officer on the above conditions or otherwise disposed of by the Deputy Commissioner, and the defaulter will be debarred from bidding again for the same or for any other shop. In the case of a foreigner, however, the further deposit may be raised to one month's khist in addition to the deposit made under condition II unless the initial deposit equals or exceeds two months' rent.

XII. Persons to whom shops have been knocked down and who have made deposits as provided in conditions II and XI shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice, and they shall also deposit* such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition XIII *infra*.

XIII. If, on enquiry subsequent to sale, the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition XII *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XIV. As soon as the sales are over, the sale-conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned, who shall enquire into the solvency of, and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

XV. On the failure of any person to make deposit under condition XII or to comply with the requisition under condition XIII *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

XVI. Re-sales effected under condition XV will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

* Deposits may be in cash or other approved security.

XVII. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

XVIII. The deposit referred to in condition XII or condition XIII, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Amildar and the licensee so agree, it may be credited towards the last instalments of the khists payable by the latter.

XIX. The licenses issued under the above clauses will contain the following general conditions common to all Excise and Opium licenses and the special conditions prescribed below for each particular kind.

General Conditions applicable to all Excise and Opium Licenses.

The manufacturers of arrack and other country spirits as well as the licensees of Arrack Bonded Depots are prohibited from holding any interest in the retail vend of arrack or in the vend of other intoxicants and from employing any person who has such interest. This prohibition does not extend to the wholesale supply by the manufacturers of special liquors or of rectified spirit to licensed vendors.

2. The limits within which sales under any Excise or Opium licenses may be carried on will be specified by the Deputy Commissioner at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, intoxicating drugs or opium outside those limits is prohibited except with the special permission of the Deputy Commissioner.

Note 1.—Successful bidders will be allowed to open their shops anywhere within the limits to be announced at the time of sale by the Deputy Commissioner or other officer authorized by him, subject to the approval of the particular site selected.

Note 2.—Successful bidders will be required to furnish the Inspector with boundary lists of particular sites selected by them within ten days from the date of sale.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communications between the depot or shop and an adjoining dwelling house, they must be kept locked at night. In the case of arrack shops in Municipalities or towns having a population of 5,000 and over, the shop premises shall have no doors except into the main street; no windows or other opening shall be allowed to the rear or at the ends of the building; there shall be no possible means of ingress or egress in any other direction; the bar at which the sale is held shall be opposite the entrance door and so situated that all persons inside can be seen by any one passing to and fro in the street, and no second room shall be used for sale, or be kept open for customers. The interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers and the premises shall be kept clean and in a sanitary condition.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (Chemists and Druggists and Medical Practitioners excepted). The possession upon any licensed premises of any liquor, intoxicating drug or opium except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavoring liquor is prohibited. But intoxicating drugs made from opium other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor or special liquors) the current rate of sale. These particulars must be legibly painted in the local vernacular. The license must be hung up in a conspicuous place within.

6. All liquor, intoxicating drugs and opium sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to them either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorised to detain any liquor, intoxicating drug or opium found unfit for consumption or use, or which they may believe to have been tampered with, and the Excise Commissioner, Deputy Commissioners and District Excise Officers are empowered to destroy such as are found unfit for consumption or use.

7. The sale or transport of liquor, intoxicating drugs or opium by persons below the age of sixteen or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. Lists of the names of all persons employed or proposed to be employed in depots or shops shall be recorded in the Taluk Cutcherry by the license-holder. The Amildar shall be competent to

forbid the sale of liquor, intoxicating drugs or opium by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M., except under special authority. In the Cities of Bangalore and Mysore and in the Kolar Gold Fields, sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Excise Commissioner.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police Officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Deputy Commissioner so orders, while a Regiment or Detachment of European or Native soldiers is passing or is encamped in the vicinity. Deputy Commissioners or Revenue Assistant Commissioners shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shop-keeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. The Deputy Commissioners may order the transfer of depots and shops from one locality to another provided the distance is not more than two hundred yards, or the closure of the same. But no new shops shall be opened except with the previous sanction of the Excise Commissioner.

14. The right is reserved to the Deputy Commissioner to grant "Occasional licenses" for the sale of liquor, intoxicating drugs and opium, on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality or to the representatives of the renter. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

15. No liquor, intoxicating drug or opium shall be sold or given—

(*a*) except at shops specially approved by the General Officer Commanding the Division (or independent Brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors of the Royal Navy, soldiers and the members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise Officers and Railway servants when on duty; or,

(*c*) in any circumstances, to any—

(1) European vagrant under escort of the Police;

(2) child under 16 years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Excise Commissioner's previous permission, which will only be given if the applicant is prepared to forfeit his deposit already made except in cases where the Excise Commissioner sees reason not to enforce the penalty. Nor, if the Deputy Commissioner so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any Excise or Opium License will be allowed, without the written permission of the Excise Commissioner to possess or continue to possess any interest direct or indirect in any Excise or Opium License outside the Territories of Mysore, or in the Civil and Military Station of Bangalore.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 13 *supra* and such supply of liquor, intoxicating drugs or opium as the Deputy Commissioner may consider sufficient to meet local requirements must

be maintained therein. Shops not opened by 1st July shall be liable to be re-sold at the risk of the licensees.

19. No liquor, intoxicating drug or opium shall be sold in shops except for cash. The licensees shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police Officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shop-keepers or firms of standing and respectability dealing in foreign and special liquors for consumption off the premises.

20. No liquor, intoxicating drug or opium shall be sold below or above such minimum or maximum or fixed prices as may be prescribed for the sale of the same in accordance with the law for the time being in force.*

21. No liquor, intoxicating drug or opium in excess of the quantity prescribed for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit.†

The tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion, without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

5. As soon as the auction is completed, the deposits made by the unsuccessful bidders, will be returned to them.

6. The person to whom the tavern has been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its forwardal duly registered by post, deposit such further sum as, with the first deposit, will make up a total security of Rs. 500 for the tavern knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to its value; and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart-engagement, as aforesaid, the tavern will be resold at the risk of such person, or will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

Resales effected under para 6 *supra*, will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by resale or other disposal, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale or by disposal otherwise. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to Government.

8. The license to be taken out under para 6 above, shall be subject to the following conditions, namely :—

The Vice-President will be requested to suggest in consultation with the four owners, some alternative way of dealing with all four plots of land.
VII. Acquisition of vacant land known as Mohadeen Sab's Karkhana in Block No. 57 of No. III Drainage Area.	Reserved for inspection by the members.
VIII. Government Proceedings No. 7572-4—Ml. 89-08-6, dated the 15th March 1911, sanctioning the supplemental scheme for the further improvement of No. II Drainage Area.	Recorded.
IX. Letter No. 540, dated the 21st February 1911, from the Executive Engineer, City Improvement Division, Mysore, submitting a consolidated report on the sewerage scheme for the whole City of Mysore.	The report will be forwarded to the Chief Engineer for favor of remarks. The Board thinks that the figures of probable realizations under "daily conservancy" require very careful verification, *e.g.*, under poudrette sales it is most improbable that such a large sum as 24,000 will be realized yearly. The number of houses which will pay scavenging cess at an average rate of four annas a month also needs careful scrutiny.
X. Letter No. 2130, dated the 18th March 1911, from the Chief Engineer of Mysore, stating that arrangements may be made to put certain works in hand in anticipation of Government sanction.	Recorded. The Board understands that it is impossible to complete these works for the reasons given by the Executive Engineer in his letter dated 28th March 1911.

R. H. CAMPBELL,
President.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

5. 6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the Kanarese or English portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance*. When postage labels are sent in payment of subscription, etc., one anna extra per rupee should be added.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

1. Notice is hereby given that the exclusive privilege of selling Country Beer or Porter in the tavern in the Kolar Gold Fields for the twelve months beginning with 1st July 1911 and ending with 30th June 1912, will be sold by public auction on the date and at the place mentioned below, by the Deputy Commissioner of the District concerned or other officer authorized by him.

2. The exclusive privilege will first be put up to auction at an upset price fixed at Rs. 250 per mensem. If there are no bids for or above the upset price, then it will be put up to auction at the upset price of Rs. 35 per hogshead of Beer or Porter which will be sold in the tavern.

3. The manufacturers of Beer may bid for or purchase the tavern.

4. Each bidder at the auction shall deposit a sum of Rs. 250 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion, without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

5. As soon as the auction is completed, the deposits made by the unsuccessful bidders, will be returned to them.

6. The person to whom the tavern has been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its forwardal duly registered by post, deposit such further sum as, with the first deposit, will make up a total security of Rs. 500 for the tavern knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to its value; and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart-engagement, as aforesaid, the tavern will be resold at the risk of such person, or will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

7. Resales effected under para 6 *supra*, will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by resale or other disposal, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale or by disposal otherwise. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to Government.

8. The license to be taken out under para 6 above, shall be subject to the following conditions, namely:—

(1) The privilege conferred by the license extends to the sale of Country Beer or Porter brewed on the Nilgiris in Breweries which may be approved of by the Government or by Messrs. Meakin & Co., Kirkee, or by Messrs. Abraham and Gangadhara Chetty & Co., Bangalore, or in any other Brewery approved by Government.

(2) Each tavern shall be maintained in or close to the existing tavern as may be determined by the Deputy Commissioner.

(3) The amount payable for each month on account of the number of hogsheads of Beer or Porter sold, shall be paid into the Taluk Treasury in the first week of the following month, on the challan prescribed for the purpose. The security deposit shall be taken towards the amount due for the last two months of the period of the lease. Failing payment as above, the Deputy Commissioner shall

at once proceed to recover the arrears together with interest at the rate of one pie per rupee per mensem or part thereof under the rules in force for the collection of land revenue. No remission or abatement of the Government dues shall, on any account whatever, be claimable by the licensee.

(5) The consignment of Country Beer or Porter purchased by the licensee, shall be sent direct from the Brewery to the Amildar of the taluk. The letter of advice covering the consignment shall be in duplicate, the original being sent to the Amildar of the taluk, and the duplicate to the Excise Commissioner. On the duty at the abovementioned rate being paid by the licensee on the prescribed challan, the Amildar shall allow the licensee to remove the consignment to his tavern upon a pass signed by the Amildar or other officer authorized on this behalf.

(6) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Beer or Porter, which forms shall be purchased from local Excise officers.

(7) The licensee shall be bound to take over any Beer or Porter which remained as stock in hand belonging to the out-going licensee on the 1st July 1911, in the existing tavern, paying to the latter such compensation for the same as may be fixed by the Excise Commissioner.

(8) This lease shall not be transferable by sale, gift, mortgage or otherwise without the previous sanction of the Excise Commissioner.

(9) The vendor shall equally with the license-holder be responsible in the penalties herein set forth for breach of any of the conditions of the license.

(10) He shall sell Beer or Porter of approved quality. It may be sold to be drunk on the premises up to one reputed quart bottle at a time. It may be sold to be removed off the premises upon the prescribed special passes up to one Imperial gallon.

(12) He shall fix in a conspicuous place outside of his shop a board on which shall be legibly painted his name, vendor's name, the number of his shop, and the article he is licensed to deal in.

(13) He shall not receive any articles whatsoever in barter or pledge, and payment for Beer or Porter shall be made in ready money only at one and a half rupee per imperial gallon and proportionately for fractions thereof.

(14) The Beer or Porter sold under this license shall be brewed from good materials and its quality shall be such as to satisfy the Excise Commissioner, and shall be of the same quality and density as purchased from the Brewer, without dilution or adulteration. Wort shall not exceed 1,073°. The Beer or Porter sold shall not contain more than 8 per cent alcohol by volume. The licensee will be bound to pay duty, together with local cess, at the prescribed rate per gallon of proof spirit on all alcohol in the Beer or Porter in excess of 8 per cent by volume, besides being liable for prosecution. Samples of such Beer or Porter shall be sent duly bottled from the Brewery tavern for examination and test whenever required by the Excise Department.

(15) Any Magistrate having local jurisdiction, or any officer acting under his warrant or Excise officer shall be allowed entry to the shop at any hour to test the

Beer or Porter on the premises and examine the shop accounts, which it shall be the duty of the license-holder and vendor to keep and produce. Such accounts shall be true and correct, and written up daily in the prescribed forms. All condemned Beer shall be destroyed.

(16) He shall close his shop by 9 P.M., and not open it before sunrise, except on special permit in cases of Native festivals, etc.

(17) Beer brought for the Commissariat Department and rejected by the Military or other Departments, shall not, under any circumstances, be forwarded for sale in the tavern.

(18) The shop shall have only one door, and no window be allowed to the rear or ends of the building; the bar where the liquor is sold from, shall be opposite to the entrance door, and so situated that all persons inside can be seen by any one passing to and fro in the street; and no second room shall be allowed to be kept open for customers.

(19) The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

9. In the case of any breach of the above conditions either by the licensee, or with his connivance and privity by any person in his employment, or in the event of the licensee neglecting to open his tavern or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or neglect, or at the option of the Deputy Commissioner, to declare the money deposited with him forfeited, and to cancel the license and to resell the privilege or to otherwise dispose of it at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his tavern on 1st July 1911, shall be made good by him. When a license is cancelled, the vend fee for the remaining period of the lease calculated on the average consumption of the previous three years advertised in the Schedule shall be payable at once and in default of payment shall be recovered with all losses as if they were arrears of land revenue.

Letter No. 7324—Ml. 288-10-1, dated the 7th March 1911, from the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Departments, forwarding a copy of the Chief Engineer's Note dated the 9th February 1911, regarding the collection of excess water-supply charges in the Bangalore City, and requesting the submission of the views of the Municipal Council thereon in the matter of the transfer of collection work proposed by the Chief Engineer.

Resolution.—In view of the facts that the present system of dual control has tended to cause unnecessary delay and inconvenience to the public and that on the ground of expediency, it is desirable that the department which supplies water and regulates its expenditure should also undertake to collect the charges due thereon, the Council are agreeable to accept the Chief Engineer's proposals to transfer the collection work to the Water-Supply Department, on the condition that the said department will hold itself directly responsible to the house-owners in regard to the following points :—

(1) Immediate attention to the complaints regarding leakages in taps or pipe-lines relating to house-connections.
(2) Immediate attention to the complaints regarding meters which get out of order.
(3) Immediate attention regarding leakage of taps and fountains in public streets.

2. The draft rules on the above and other points incidental to the change of the collecting agency that may be framed by the Chief Engineer will, of course, be forwarded to the Council for opinion.

3. The Council regret to observe that the remarks passed in the Note under reference on the work of the Municipality are apparently based on one-sided enquiry. They are in a position to state that the work of collection of the excess water charges, if slow and unsatisfactory, is due not to any fault of the Municipality, but to belated bills and wrong meter-readings leading to protracted correspondence received from the Water-Supply Department.

SALE OF COUNTRY BEER TAVERN IN THE BOWRINGPET TALUK FOR 1911-12.

Notice No. 8209, dated 15th April 1911.

1. Notice is hereby given that the exclusive privilege of selling Country Beer or Porter in the tavern in the Kolar Gold Fields for the twelve months beginning with 1st July 1911 and ending with 30th June 1912, will be sold by public auction on the date and at the place mentioned below, by the Deputy Commissioner of the district concerned or other officer authorized by him.

2. The exclusive privilege will first be put up to auction at an upset price fixed at Rs. 250 per mensem. If there are no bids for or above the upset price, then it will be put up to auction at the upset price of Rs. 35 per hogshead of Beer or Porter which will be sold in the tavern.

3. The manufacturers of Beer may bid for or purchase the tavern.

4. Each bidder at the auction shall deposit a sum of Rs. 250 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The tavern will be knocked down to the approved highest bidder, subject to the formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion, without assigning reasons for the same. Such formal confirmation will, unless revised by Government, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

5. As soon as the auction is completed, the deposits made by the unsuccessful bidders will be returned to them.

6. The person to whom the tavern has been knocked down, shall be required to leave his address with the sale-conducting officer in order that the confirmation of the sale may be communicated to that address, and within seven days after service of the said notice by its presentation to the purchaser or any adult male member of the family at the place of the said address or by its being affixed thereto or by its forwardal duly registered by post, deposit such further sum as, with the first deposit, will make up a total security of Rs. 500 for the tavern knocked down to him or such other reasonable amount as may be fixed by the Deputy Commissioner according to its value; and shall take out licenses and execute counterpart-engagements, on the conditions hereinafter set forth. On the failure of any person to make the deposit or to take out license or to execute the counterpart-engagement, as aforesaid, the tavern will be resold at the risk of such person, or will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

7. Resales effected under para 6 *supra*, will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by resale or other disposal, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale or by disposal otherwise. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale or other disposal, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to Government.

8. The license to be taken out under para 6 above, shall be subject to the following conditions, namely:—

(1) The privilege conferred by the license extends to the sale of Country Beer or Porter brewed on the Nilgiris in Breweries which may be approved of by the Government or by Messrs. Meakin & Co., Kirkee, or by Messrs. Abraham and Gangadhara Chetty & Co., Bangalore, or in any other Brewery approved by Government.

(2) Each tavern shall be maintained in or close to the existing tavern as may be determined by the Deputy Commissioner.

(3) The amount payable for each month on account of the number of hogsheads of Beer or Porter sold, shall be paid into the Taluk Treasury in the first week of the following month, on the challan prescribed for the purpose. The security deposit shall be taken towards the amount due for the last two months of the period of the lease. Failing payment as above, the Deputy Commissioner shall

at once proceed to recover the arrears together with interest at the rate of one pie per rupee per mensem or part thereof under the rules in force for the collection of land revenue. No remission or abatement of the Government dues shall, on any account whatever, be claimable by the licensee.

(4) The licensee shall further pay a duty of two annas and one pie and a half for every gallon of Country Beer or Porter purchased by him.

(5) The consignment of Country Beer or Porter purchased by the licensee, shall be sent direct from the Brewery to the Amildar of the taluk. The letter of advice covering the consignment shall be in duplicate, the original being sent to the Amildar of the taluk, and the duplicate to the Excise Commissioner. On the duty at the abovementioned rate being paid by the licensee on the prescribed challan, the Amildar shall allow the licensee to remove the consignment to his tavern upon a pass signed by the Amildar or other officer authorized on this behalf.

(6) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Beer or Porter, which forms shall be purchased from local Excise officers.

(7) The licensee shall be bound to take over any Beer or Porter which remained as stock in hand belonging to the out-going licensee on the 1st July 1911, in the existing tavern, paying to the latter such compensation for the same as may be fixed by the Excise Commissioner.

(8) This lease shall not be transferable by sale, gift, mortgage or otherwise without the previous sanction of the Excise Commissioner.

(9) The vendor shall equally with the license-holder be responsible in the penalties herein set forth for breach of any of the conditions of the license.

(10) He shall sell Beer or Porter of approved quality. It may be sold to be drunk on the premises up to one reputed quart bottle at a time. It may be sold to be removed off the premises upon the prescribed special passes up to one Imperial gallon.

(11) He shall not sell or give Beer or Porter in any quantity whatever directly or indirectly to any European or non-commissioned officer or private or soldier, nor to any European or East Indian woman connected with or related to men of these classes, nor allow him, her, or them, to drink Beer or Porter in his premises or grounds; he shall not permit drunkenness or disorderly behaviour in his shop or premises, and shall not suffer any gambling whatsoever therein, and shall not knowingly permit prostitutes or persons of notoriously bad character to meet or remain therein; he shall not wilfully harbour or conceal therein soldiers or others knowing or having reason to believe such soldiers or others to be deserters; he shall give information of suspicious characters to the Magistrate or Police officer; and he shall not sell or give Beer or Porter to any Police officer, Railway servant, or Excise officer, whilst on duty, or to insane person.

(12) He shall fix in a conspicuous place outside of his shop a board on which shall be legibly painted his name, vendor's name, the number of his shop, and the article he is licensed to deal in.

(13) He shall not receive any articles whatsoever in barter or pledge, and payment for Beer or Porter shall be made in ready money only at one and a half rupee per imperial gallon and proportionately for fractions thereof.

(14) The Beer or Porter sold under this license shall be brewed from good materials and its quality shall be such as to satisfy the Excise Commissioner, and shall be of the same quality and density as purchased from the Brewer, without dilution or adulteration. Wort shall not exceed 1,073°. The Beer or Porter sold shall not contain more than 8 per cent alcohol by volume. The licensee will be bound to pay duty, together with local cess, at the prescribed rate per gallon of proof spirit on all alcohol in the Beer or Porter in excess of 8 per cent by volume, besides being liable for prosecution. Samples of such Beer or Porter shall be sent duly bottled from the Brewery tavern for examination and test whenever required by the Excise Department.

(15) Any Magistrate having local jurisdiction, or any officer acting under his warrant or Excise officer shall be allowed entry to the shop at any hour to test the

Beer or Porter on the premises and examine the shop accounts, which it shall be the duty of the license-holder and vendor to keep and produce. Such accounts shall be true and correct, and written up daily in the prescribed forms. All condemned Beer shall be destroyed.

(16) He shall close his shop by 9 P.M., and not open it before sunrise, except on special permit in cases of Native festivals, etc.

(17) Beer brought for the Commissariat Department and rejected by the Military or other Departments, shall not, under any circumstances, be forwarded for sale in the tavern.

(18) The shop shall have only one door, and no window be allowed to the rear or ends of the building; the bar where the liquor is sold from, shall be opposite to the entrance door, and so situated that all persons inside can be seen by any one passing to and fro in the street; and no second room shall be allowed to be kept open for customers.

(19) The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

9. In the case of any breach of the above conditions either by the licensee, or with his connivance and privity by any person in his employment, or in the event of the licensee neglecting to open his tavern or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or neglect, or at the option of the Deputy Commissioner, to declare the money deposited with him forfeited, and to cancel the license and to resell the privilege or to otherwise dispose of it at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his tavern on 1st July 1911, shall be made good by him. When a license is cancelled, the vend fee for the remaining period of the lease calculated on the average consumption of the previous three years advertised in the Schedule shall be payable at once and in default of payment shall be recovered with all losses as if they were arrears of land revenue.

10. The penalties laid down in the last preceding clause shall not exempt the licensee or his employees from prosecution for any offence committed against the Excise laws in force.

MISCELLANEOUS.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

5. Under Government Proceedings Nos. 155 and 24205-6—G. 6200, dated 2nd July 1891 and 21st June 1895, respectively, the Kanarese portion of the *Mysore Gazette* will be supplied to Shanbhogs, Patels and Nad Patels within the Province at *half* rates on production of certificate from Amildar of the taluk to the effect that such applicant is *bonâ fide* on duty at the time.

6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the Kanarese or English portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance.* When postage labels are sent in payment of subscription, etc., one anna extra per rupee should be added.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

Notification.

It is hereby notified that the right of levying tolls on carts entering the limits of the Town Municipality of Shimoga during a period of one year, from 1st July 1911 to 30th June 1912, will be put up to public auction at 12 noon on Wednesday the 14th June 1911, subject to conditions hereinafter described.

2. The sale will be conducted in the office of the President of the Town Municipality by the President or, in his absence from headquarters, by the Vice-President of the Municipality.

3. The right shall be knocked down to the highest approved bidder and shall, in case the sale is conducted by the Vice-President, be subject to formal confirmation by the President, who reserves to himself the power of accepting or rejecting any bid at his discretion without assigning any reasons for the same. The President further reserves to himself the power to dispose of the right by tenders or otherwise if the bids obtained at the auction are not considered satisfactory.

4. Persons intending to bid at the auction must attend in person or by a duly accredited agent. Every such person shall deposit beforehand a sum of Rs. 100 as earnest money. The deposits made by unsuccessful bidders will be returned at the close of the sale.

5. The successful bidder, hereinafter termed contractor, shall, on the sale being knocked down to him, at once deposit a sum sufficient to make up with his previous deposit one-twelfth of the amount of his bid and a further sum equal to two-twelfths of the bid amount on or before the 25th June 1911; and he shall also execute, before the said date, an agreement on stamped paper binding himself and heirs to observe the conditions hereinafter set forth. If default is made either in making the deposits or in executing the agreement as above, the amounts, if any, already deposited, will be forfeited and the right to collect the toll shall be forthwith resold or otherwise disposed of by the President.

Conditions.

(1) The amount for which the right has been finally purchased shall be payable in equal monthly instalments commencing from July 1911. Each instalment shall be regarded as the rent for the month in respect of which it is payable and shall be paid into the Treasury on or before the 20th of the month. In case of default, the President shall be at liberty to suspend further collections of toll by the contractor, direct the forfeiture of the deposit made by him and dispose of the right to collect toll during the remaining period of the year by resale, tender or otherwise as he may deem fit. Such resale or other disposal shall be at the risk of the defaulting contractor, who shall not be entitled to any gain accruing thereby; but in case of loss he shall be liable to make good the deficiency between the amount payable for the period under the terms of his contract and the amount fetched by the resale or other disposal. In the latter case, *i.e.*, in case of loss, the forfeited deposit of the contractor shall be taken towards the recoupment of such loss. Should, however, the forfeited deposit be greater than the loss by resale or other disposal, the whole of such deposit shall be credited to the Municipality.

(2) The deposit of three-twelfths of the bid amount made by the contractor shall be taken as a guarantee for the due fulfilment of the contract; and if not forfeited, shall be returned after a month after the expiry of the contract.

(3) No remission or abatement of rent or compensation on any account shall be claimable by the contractor.

(4) Interest at 6 per cent per annum shall be recoverable on all arrears from date of default.

(5) Tolls shall be levied at the rates detailed below:—

MISCELLANEOUS.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III and IV should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Secretary to the Government of Mysore, General and Revenue Departments.

5. Under Government Proceedings Nos. 155 and 24205-6—G. 6200, dated 2nd July 1891 and 21st June 1895, respectively, the Kanarese portion of the *Mysore Gazette* will be supplied to Shanbhogs, Patels and Nad Patels within the Province at *half* rates on production of certificate from Amildar of the taluk to the effect that such applicant is *bonâ fide* on duty at the time.

6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the Kanarese or English portion of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance*. When postage labels are sent in payment of subscription, etc., one anna extra per rupee should be added.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.
